COME VIEW THE 3D TOUR for this immaculate, fully finished home, backing to green space. Plenty of curb appeal with the landscaped front yard & new shingles. Beyond the front porch is a spacious entrance. Note the 9ft ceilings. A flex room overlooks the porch. The living room has a cozy gas fireplace. The huge dining nook is next to the fabulous kitchen which has masses of countertop space, a dual height breakfast bar & an upgraded refrigerator & dishwasher. A separate laundry room & a half bath complete this level. Upstairs, the master bedroom has a large walk in closet & a 5 piece en-suite, whilst bedrooms 2 & 3 (one has a walk-in closet) share the family bathroom. The bonus room has a bay window & vaulted ceiling. Newer carpeting & Hunter Douglas blinds - there's no shortage of upgrades here! The basement features a massive living/recreation room, an informal bedroom, a half bathroom & a hobby/storage room with a dog-wash sink! Watch the kids play out on the green space behind & they can walk to school.
